

**Grove Estates Association Inc  
Annual Meeting  
March 5, 2014**

Annual Meeting was called to order at 7:01 PM. We proceeded to the counting of proxies and homeowners present: 2 proxies and 11 homeowners present. There is a requirement by law of at least 30% of the homeowners present or by proxy. Since the quorum of the membership was not reached, no elections were held and the current board will serve for another year, and the meeting was adjourned.

Elections of officers' positions followed. The current officer's positions remain the same.

Respectfully submitted by  
Nelly Gordillo, property manager  
Miami Management Inc.
